Internal Quality Assurance Cell (IQAC) Third Meeting 2022-2023

An IQAC Meeting was held on 20.12.2022 at 11:00 a.m. in the principal's office. The IQAC members were given prior intimation about the action taken on the suggestions put forward in the previous IQAC meeting. The action taken report of the previous meeting is as followed.

1. In continuation of giving priority to the NAAC related documentation, IQA will be filed soon.
2. An alumni meet was held in college in order to maintain cordial and welcoming relations with the ex-students.
3. In order to smooth the procedure of examination, a separate discipline committee was constituted to avoid any mishap in the examination centre.
4. As proposed in the previous IQAC meeting, an Eco club was drafted to work in the direction of making the campus greener and ecologically sound.
5. The correspondence with the concerned departments regarding STP and solar panel is still in function. A timely redressal is hoped for.
6. Days were celebrated as per DHE guidelines. Constitution Day, Sarojini Naidu Day, Vivekanand day are some of the many examples.

In the current IQAC meeting, the following points were discussed and unanimously agreed upon by the IQAC members.

1. There is requirement of Dy. Supt. Necessary action has to be taken.
2. STP/Solar issues are still under consideration for further correspondence and speedy redressal.
3. Preparation for NAAC accreditation has to be treated with utmost urgency.
4. With reference to DHE club/society letter, duties have to be assigned.
5. There is a requirement of Physical Education faculty. Necessary step shall be taken.
