Political Science - Course Outcome

The course of Political Science provides its students, the knowledge and skills needed to prepare for a professional career as a teacher, administrator, political scientists, lawyers etc.

Students also get ground knowledge about the basics of political education. It trains learners about the politics and government at local, state, national and global levels.

The study of Indian Political System conveys the whole body of knowledge to the students about Indian Government and Politics. This encourages the students to think and analyse about the politics of our nation.

It also helps them to understand current national and international political issues and concerns and their impact upon the contemporary political environment.

Moreover, students also understand the requirements of effective and virtuous citizenship.

Department of Political Science organizes guest talk by scholars in the field of Political Science and encourages the students to think critically and gives information about politics and various aspects of public life. Political Science department enables the students to participate in various programs conducted by Humanities department as well as other forums of college and also motivate the students to participate in various activities of the college and outside.
